**Categories:** Record Saved - Shared, Record Saved

Mark:

Both those dates work for me (Tuesday after 10am). I am checking with others who should be on the call and will give you a definitive answer early next week once I know their schedules. Who else from EPA do you plan being on the call?

Duncan

**Subject:** WDNR to DATCP, CAFO Transfer

Greetings Duncan,

I am the EPA lead on the transfer of the NPDES CAFO program from WDNR to DATCP. When EPA received the regulatory crosswalks there was discussion about setting up a call to get the ball rolling. I am suggesting we look at the mornings of Oct 2 or 4 for the call. Additionally, I am not aware of all the parties needed on Wisconsin's part so your direction would be most helpful. If you have any questions or think I should make this inquiry of someone else, please let me know.

Thank you,  
Mark
